Report for the meeting
held on Saturday 16th January 2010 at Roydon Village Hall

Before we dive headlong into this Newsletter I should point out that Alex Woollard (myself) has taken the responsibility for the Newsletters for January and February so please bare with me. This is because Bill and Murial will be basking in the hot Pacific Sun for a few weeks.

Here we all are at the start of another year at The Village Hall in Roydon and I must say its nice to see so many smiling faces old and new. Kevin & Lorraine Wells became the latest to join our Happy Club after sampling a few cards at the Christmas meeting as guests, they are now well and truly hooked.

It was a close call on this meeting taking place at all considering the awful weather that we have been experiencing in all parts of the country, and it was only on Tuesday that the decision was made to hold the meeting for this month. Anyway I'm glad to see so many of you and hope that you didn't have too much trouble getting here. We had a nice flow of members and guests throughout the morning giving us a total of 55 through the door. The Auction lots this Month showed a fair bit of interest taking £2000 + which showed that there was still plenty of Cash about after the Christmas Holiday but 48 out of the 150 Lots available did not sell.

Special March Meeting

You may or may not realise that our Club will be celebrating it's 40th Birthday in March and a Cake and Champagne will be there to help us celebrate this special occasion. Colin has done some reseach on our History and will be inviting some early members and friends to come and see us and contribute to the final production of the Clubs History. With a bit of luck it will be available later this year.

More News

Our Caterer George is about to undergo some surgery so we wish him well.
I would also like to thank Alan Stevens for making the long trip from Portsmouth especially with the bad weather we have been experiencing lately.
We also had two very welcome visitors who found us on the Clubs website and as well as bringing items along for the Auction will be returning in March to become members.

This picture is from the December meeting of Mike Heard busy looking after the Card needs of our Club Members.

14 HERBIE NEVILL

Herbie Nevill

" It is very sad to report the death of our dear friend Herbie Nevill. He joined the club in 1972 and had regularly attended most months. In the mid 1970's Herbie cycled every month from his home in Ipswich to our club meeting at Euston a distance of 22 miles, such was his enthusiasm. Herbie was 93 years old and died on the 29th December 2009. His funeral was on Friday 15th January 2010 in Ipswich. The club has lost a stalwart member, the members have lost a good friend. "

Colin.
